

MY PARISH AND MY STEWARDSHIP — TIME AND TALENT

Stewardship is itself a gift from God. With the gift of faith received in baptism, you are called to become a responsible steward. In a sense, assessing your time, and treasure is not an option. For a person of faith, it is part of the commitment to participate fully in the life of the church.

With the help of this survey, take some time to assess your God-given talents. As you begin your reflections, name your gifts and thank God for them. Then ask the Holy Spirit to help you discover how to use them well, for the church and for the world.

You are gifted! Find out just how gifted you are! Discover God within you! This discovery will lead you to a renewed life for God! Our parish brings each of us many benefits. If we truly cherish these benefits and want our parish to thrive, we must share in the work and ministry of our church.
